Personal Health Information

FSU Challenge activities can be strenuous and often offer exercise of a different nature than most participants are used to. Because of this challenge, FSU does not want you to engage in activities that could be detrimental to your health or which would be opposed by your physician due to recent illness or injury. Therefore, we are requesting the following information so we can be aware of potential problems. You should carry your own health, medical and/or hospitalization insurance because FSU does not have health, medical or hospitalization insurance to cover you or your participation in this activity.
