

FLORIDA STATE UNIVERSITY STUDENT GOVERNMENT ASSOCIATION RECREATION BOARD

**RESOLUTION**  
**2023-24 Campus Recreation Board**

**Resolution: #1**

**Sponsored by:** Board Chair Mayo and Board Vice Chair Marsh

**Date:** October 29, 2024

**Whereas:** the members of the SGA Campus Recreation Board meet regularly to discuss Board business; and

**Whereas:** members of the student body seek a specified time and space to provide constituent input to SGA Campus Recreation Board members; and

**Whereas:** Campus Recreation ranks near the bottom of all rankings of Atlantic Coast Conference, Southeastern Conference, and other regional peer institutions for the amount of indoor facility square footage related to the size of the student population; and

**Whereas:** Campus Recreation is severely limited in available office space, having converted closets and other storage spaces into offices for its own full-time staff and for workspaces for its many student staff leaders; and

**Whereas:** numerous Student Government Association entities have been allocated office space proximate to each other and SGA leadership in the Student Union;

**NOW THEREFORE be it resolved by the Campus Recreation Board at Florida State University that:** the Campus Recreation Board (CRB) requests of the Student Government Association to reasonably accommodate the CRB by allocating dedicated or shared office space of up to 120 square feet in the Student Union, collocated with other SGA entities, for the purpose of efficiently conducting Board business, regularly meeting with constituents, and effectively collaborating with SGA leaders and entities.
